

# Clearing and Dedication

Variation on Clearing and Reiki Dedication

In the Highest and Greatest Good  
Of All Beings and the Whole Creation.

I Connect Directly with Source  
In Perfect Alignment & Perfect Safety

And I ask Connection to my Higher Self,  
to my Guides.

And ask the Angels to Guard  
That I connect Only Directly to Source,  
And to Guard in Perfect Safety over  
My Body and My Consciousness
